WEEKLY ASSIGNMENT

Leadership

Leadership seems to be unimportant to many teenagers. This is puzzling since leadership positions usually include more money, fame and privilege. This holds true for athletics and careers.

1. For you personally, is it important to become an effective leader? Why or why not?
2. Do you think people are born leaders or do they learn it? Explain your answer.
3. Of all the people you have known in leadership positions, who was the best leader? <i>Specifically what did this person do to demonstrate great leadership?</i>
