FINAL WRITING ASSIGNMENT

Loyalty in Relationships

1. If your friends were going to write a letter of reference about "your loyalty as a friend," what would they say and what examples would they use to back up their statements?

2. In a dating relationship, how important is loyalty to you? What do you do to demonstrate loyalty?

3. If you choose to marry one day, is there any scenario that would influence you to get a divorce? Why or why not?
